

Combining two trusted banks. Expect even more.

March 7, 2025

Dear Valued Customer,

I'd like to offer you my personal greetings now that Premier Bank is officially part of WesBanco. I think you'll feel right at home at WesBanco.

Our shared values, including a commitment to the communities we serve, make this partnership a natural fit. We'll be stronger together, so you can expect even more from us - including a wider array of products and services, an expanded community presence and more opportunities for success along your financial journey.

Right now, keep banking as you always have.

It will take a few months for us to integrate our two banks under the WesBanco name. Until then, please:

- Use your same accounts, checks, cards and online services.
- Keep banking at your same branches and ATMs.
- Count on the same great service you enjoy today.

Looking ahead. We'll be with you every step of the way.

As we combine our two banks over the next few months, we'll keep you informed about what to expect. **To ensure you receive all communications, please verify your contact information within your Premier Bank Online Banking, or by calling customer service at 877-367-8178 or visiting your local branch.**

We've also set up a dedicated web page with the most current information and guidance on the transition. Just scan the QR code below or go to wesbanco.com/premier.
